

Careers website

Careers advice and guidance plays a pivotal role in young people's educational journey; it supports students to discover their interests, navigate the complex world of work or training and make informed decisions about their future. Its purpose is to deliver tailored support to all young people, allowing students to gain a clearer understanding of their strengths, interests, and aspirations, and make choices aligned with their goals.

We follow the eight Gatsby Benchmarks of Good Career Guidance:

Gatsby Benchmarks	ADL delivery
A stable careers programme	enrichment programme delivers at ADL
Learning from career and labour market information	links through lessons and information days
Addressing the needs of each pupil	121 careers support available to each student
Linking curriculum learning to careers	through lessons and enrichment
Encounters with employers and employees:	through information days and STEM
Experiences of workplaces	introduction through enrichment
Encounters with further and higher education	careers 121 support
Personal guidance	careers 121 support
